## PAST EXPERIENCE

### Wildlife Photographer

Tundra Nature Magazine (2017-2018)

- I traveled on various expeditions with the magazine's team to document a variety of subjects, particularly mountains, forests, oceans, and marine wildlife.

### Head Photographer

The Creative Awl Agency (2016-2017)

- I worked with the Accounts Team and Creatives Team to fulfill clients' needs. I shot products, events, and models, and handled all the editing needs.

## PREVIOUS EDUCATION

### Thornham State College

Bachelor of Arts in Photography, 2012-2016

- I pursued a second degree in order to focus on developing my skills as a photographer. My photo essay thesis won first place in a local competition.

### Kinchester School

Bachelor of Arts in Graphic Design, 2008-2012

- I graduated with a GPA of 3.50. Earned academic honors in Applied Art Theory, Mathematics, and Biology. I also learned to speak French and Portuguese.
